Verification of Completion of Practicum Hours

To the Student:

AMS requires a practicum totaling 1080 hours (essentially all day every day for a year) at either the Elementary I or Elementary II level.

Please furnish this document to your school head for verification that you have completed the required 1080 hour practicum required by AMS for certification. The individual verifying must be the same as the person who signed your Practicum Site Agreement.

Student Name: _____

Practicum Site: _____

Date practicum began: _____ Date practicum concluded: _____

Verification statement

I verify that the above named individual has completed at minimum 1080 hours of classroom attendance as required for certification by the American Montessori Society through Seacoast Center for Education.

Signature _____

Title _____ Date _____
